

Lange Smart Charts: Pharmacology, ISSN 1542-6866, Catherine Pelletier, McGraw-Hill Education, 2003, 0071388788, 9780071388788, 386 pages. Organized by drug group, this book presents a complete review of pharmacology in an innovative format. Composed entirely of tables and diagrams, this book facilitates comparison and clarifies relationships among drugs in terms of interactions, pharmacokinetics, uses, and side effects. Each chapter begins with an outline of the drug class discussed, followed by a list of key terms..
