Gracie... Iron Range Cooking with an Italian Mother... Pasta to Potica, Sharon Deleo, Carousel Sales, Incorporated, 1997, 0966185803, 9780966185805, . GRACIE...IRON RANGE COOKING WITH AN ITALIAN MOTHER...PASTA TO POTICA is an autobiographical cookbook about growing up with a mother who lived to cook. The Iron Range in Minnesota was a true melting pot of immigrants. Mother was Italian & father was Croation, therefore, my book deals with various ethnic cultures & foods. Each recipe is followed by a family story dealing with the recipe. My stories are happy, sad, heartwarming, nostalgic & tell of superstitions. Mother shared with me, her secrets of stretching a small piece of potica (poh-teet-sa) dough over an entire table. The book has step-by-step picture instructions as to the technique of this dying art. In 1995, mother was diagnosed with cancer. It was at this time I decided to write my book. I did not want to see the art of cooking our family ethnic foods die with her. It took 2 years to write. During this time, mother was given "weeks to months" to live, & I was desperately trying to finish my book before she died. I had promised her that together we would have "book signings." She went into remission & we went on to have 3 book signings. To order: Carousel Sales, Inc., 812 7th Ave., Two Harbors, MN 55616. 218-525-6697..
